### Teaching Beginner, Intermediate & Advanced Students

Further develop your skills and gain fresh new insights to take into your teaching studio. Through live "in the moment" lesson demonstrations with actual students taking part, you will have the opportunity to observe leading pedagogy experts in action, and learn about their approach to teaching.

### Discussion Forum with Presenter Panel

Teachers will have the opportunity to take part in a 1 hour discussion forum with a panel featuring each presenter. Discuss issues and challenges related to teaching in general, or ask a specific question. We encourage teachers to submit their questions in advance of the event, however questions can also be asked on the day. Please email your questions to Genevieve Newton at [vmta@vmta.org.au](mailto:vmta@vmta.org.au).
